CONFERENCE FOR ONTARIO LOCAL DEMOCRACY

The Committee to Free Flamborough (CFF), Voices of Central Ontario (VOCO) and Organization of Chatham-Kent (ROCK) has joined forces to host a de-amalgamation conference to be held in Flamborough on Saturday May 15, 2004.

The conference will discuss ways and means to persuade the government to undo the amalgamations forced upon unwilling communities in our Province.

The Province, under the new Liberal Government, continues to ignore democratic principles and human rights over the amalgamation issue. This Government has stated referendums, (which represent the will of the people) are not binding.

We are expecting more than 350 delegates from across the Province to attend this conference. The Conference will have an exciting list of speakers and presentations to advise us on the future.

We are working together in a combined effort to influence the Liberal Government to return democracy to our province and our country.
