Flamborough, Ontario APRIL 5, 2004

The will of the people shall be the
basis of the authority of government
UNITED NATIONS UNIVERSAL
DECLARATION OF HUMAN RIGHTS

“When you know that an injustice was done
and you find yourself in a position to fix it
and you choose not to – you inherit
responsibility for that injustice”

The Committee to Free Flamborough is pleased to announce the slate of confirmed speakers for the C.O.L.D. conference to be held on May 15, 2004 at the Rockton Fair Grounds.

THE PURPOSE OF THIS CONFERENCE is to generate an awareness that democracy itself is being rapidly eroded, and to illustrate the urgent need for a return to self government in order to allow local communities to regain their autonomy through the democratic process.

The keynote speaker is Mississauga Mayor Hazel McCallion
Mr. Dave Braden, Hamilton Ward 14 Councillor for Flamborough
Mr. Andrew Sancton, Professor and Chair, Political Science, Western University
Faye McGee, City Councillor Kawartha Lakes Area
Mr. Ken Bosveld newspaper publisher
Mr. Michael Prue, NDP, MPP, East York/Beaches advocate of de-amalgamation
Mr. Joseph Cooper, Journalist, East York Mirror, “The Watchdog”

This will be an exciting presentation on the return of democracy to this province. We will all be given information on how to persuade the sitting Government to return democratic practices to the people of this province. We will be given sound and practical advice on what can be done to have the will of the people be the guide for government. The mirage that was created to justify amalgamations has proven to be just that “A Mirage”. Want a revolt? Then join us at the Rockton Fair Grounds in Flamborough on May 15, 2004.

You will come away with new ideas and actions plans. Collectively the energy of more than 1.6 million voters in Ontario will have an impact on this Government.
